LADY LIBERTINE

Creating extraordinary experiences for the every day with deliciously fresh food and an incredible array of cocktails and wines all set in stylish and sumptuous surroundings.

Our menus are woven together with the elegance of French flair, an inventive mix of American and Italian influences, all without forgetting our Mediterranean roots. Sounds tempting?

We knew you'd agree. We also have two carefully curated drinks lists featuring everything from coffees to cocktails and a constantly changing wine selection.

Situated over two floors, the ground floor Wine Café exudes laid back contemporary cool, whilst our basement Bar & Restaurant transforms in the evening into a devil-may-care late-night venue. Showcasing some of the best DJ line ups and live music that the city has to offer. We promise it's somewhere you'll want to linger long after hours.
